Croagh Patrick Organic Cheddar

Origin: Offaly, Ireland

Milk Source: Pasteurized organic cow's milk

Rennet Type: Non-animal

Style: Cheddar

Size: 20kg drum

Approximate Age: 90 days

The little milk company was formed in 2008 in Ireland by eleven organic dairy farming families. They started distributing organic milk and yoghurt and have recently added cheese.

This cheddar has already won awards in Ireland, Britain and was best new cheese at the 2013 international cheese awards.

This cheddar is made to a traditional recipe and hand wrapped in cloth and also hand turned throughout maturation.

Tasting Notes: This cheddar is quite young but still has a great depth and length of flavour.

Uses: Cheese platter

Wine Match: Stout or Dark ale

Try with: Cannibal creek bakehouse white hearth loaf
